Senior Moments

By Sandy Olson

When the weather is cold my senior moments tend to move more toward staying in and staying warm more often than during the milder months. That doesn't mean that I'm never up for some interesting things should they happen my way....going out to eat, enjoying a film or getting together with friends. The getting together part is most enjoyable as I love to travel, eat and go to movies with like-minded people.

In January, the Northwood Senior Center will be staying warm and cozy too with delicious lunches served by Judy and her team on Mondays through Fridays. If you haven't enjoyed Congregate Meals lately, look elsewhere in the Northwood Anchor for the menu and phone number to make your reservation.

Warm and cozy also describes the monthly coffee and conversation that usually takes place the first Wednesday of each month. Come and enjoy a hot beverage and a cookie at 2 p.m. while you visit with friends. This year, however, the first Wednesday is New Year's Day so the coffee will be held on Wednesday the 8.

Carol Kragenbrink will be leading Fun Bingo on Thursday, January 23. We had such fun the first time we played so we will be making this a monthly activity. Come at 1 p.m. and try your luck. No cost to play, fun prizes to win!

Please let me know at midwestfoodie@gmail.com if you have an idea for an activity we can do at the Senior Center or if you are willing to demonstrate your hobby. Crafts and games are also things we can participate in. Let's make the Northwood Senior Center the place to go for fun and fellowship.
